

You are invited to Tim's 10th Birthday CyberParty!

This is the official Birthday invitation!

Date: Wednesday 15th April

Time: 11:00 – 1:00 and / or 3:00 – 5:00 (You can join either or both)

We are planning to play moomoo.io:

This is a survival game where you gather materials to build defences for your team!

...or Defly.io

[Defly](http://Defly.io) is a game where you are a helicopter and can create threads to build your base.

RSVP: michiko.mobile@gmail.com or 0408 161 309 by 8:00am 15th April

I will pick a server with a scarce amount of people playing and send the link on Google Hangouts™ at 10:00am and 2:00pm and whenever we switch servers, so we can play together!

Hope to see you there!
